Shree Bhotang Devi SS

Sanu is highly committed girl from Bhotang. As the youngest of 5 siblings, Sanu is the first member of the family who is success to go school and passed SEE examination. She wants to study Computer Science and wants to back to community as a good bank manager. She led 'Child club' and organised different program like street drama against child marriage, forestation and so on that spread awareness message to the society, she loved to listen ideas raised from her friends.

She had clear planning to be a banker by studying management and she is committed to return to her own community and work in a bank to help needy people for loan and savings.

Sapana Dulal

Pragati English Secondary School

Ms Sapana Dulal from Melamchi is outstanding student academically. She aspires to become a Science teacher and serve students from rural place. She has volunteeed in various work coducted in the community. She comes from a poor economic background as her mother is the only one to earn.

She has engaged in lots of social works. She had engaged in a NATIONAL SOCIAL SERVICE AND NEPAL SCOUT TRAINING .She also had helped in the construction of path for DHURMUS SUNTALI FOUNDATION in GIRANCHAUR.

Salina Tamang

Shree Terse Secondary School

Salina is highly dedicated person and she wants to persue her career as nursing and help other children like in her situation. She seems hard working and disciplined which reflects on her studies. Her family earns form farming. She applied to this scholarship because of her family's low income to feed 4 other siblings and lift family's financial burden by little to help in her studies.

Shantimaya Tamang

Shree Bhotenamlang SS

Shantimaya wants to be teacher and wants to run adult letracy class in the community. Adults have struggled a lot due to small things like not being able to write their name. She believes an educated farmer can do better job and vice-versa. She believes productivity and education goes hand to hand. She believes she can attract drop out students to the school.

She participated in each and every ECA events include Kshitz Sikai Mela. She with her friends also established a club "Tamang Helper Child Club" and led it. They cleaned village and managed waste. She also stopped child marriage within her family by threating that she will complain to the police.

Subekshya Karki

Shree Bhimsen Secondary School

Subekshya comes from a small village called Khatrithok, Chautara where the only source of income is farming. she came across as someone who is very dynamic, talented and her speeches are very touchy and thoughtful.

he has a strong desire to be a good doctor and wants to go back community. Her father is staying separately with his second wife in Kathmandu. She was also the top two winner in essay competition organised by HELP during lockdown.

Srijana Tamang

Shree Raithane Secondary School

Shrijana is a brilliant student. she has got many gold medals in the school level and municipality level competitions. Also Miss Nepal 2015 Ishani Shrestha had named her a LITTLE AMBASSADOR after her speech during a programe organised by HELP. Her dad died because of the electrical shock. She aspires to become a doctor. She thinks being doctor is the best way to engage in a social service. She wants to build up the hospital in her own area and stop people dying from the pandemic like COVID-19. She believes doctors are like god who saves people's life.

Sitamaya Tamang

Shree Bhotenamlang SS

Sitamaya wants to be a role model in her community. She had struggled between her household chores and studies during her school but never neglected her studies. Currently, she is guiding kids in her village and supporting students of different age group. She aspires to become a doctor, work in the village health post. She also wants to open a pharmacy in her village and support her juniors who are interested in medicine. She wants to eradicate superstitious belief from her community. She believes that change starts from self, if we want to change the nation, we have to start changing ourselves first and then the community.

Smriti Bishta

Pragati English Secondary School

Smriti is also a brilliant, all rounder and inspiring person. Her parents both are primary level teachers. She chooses to become an engineer. Along with engineering, she wants to join Nepal ARMY force and make her parents proud. She has received a lot of medals in many competitions. She is a winner of 2020 district level essay competition held by HELP in the topic 'LOCKDOWN DIARY' during lockdown.

Sneha Tamang

Shree Satkanyamati SS

Sneha is a brilliant student. She chooses science so that she could choose to become a nurse and look after the people in her village. She has a determination that, she will take a social work as her job. Hence, she wants to spread awareness against the superstitious beliefs in her community. She is also a brilliant dancer.

Subash Tamang

Shree Saraswoti Higher Sec School

Subash seems an interesting person. His inspiration to study engineering comes from engineers themselves who had came to his village during reconstruction after 2072 earthquake. During this pandemic he even joined a team and gave his villagers some guidelines to be safe. He keven wants to participate in our upcoming programmes and want to be affiliated with HELP.

He was also involved in ECA activites like quiz and oratory. He improved his public speaking skills by consulting with different friends.

Suja Tamang

Shree Chandika Secondary School

Suja wants to study science in +2 and wants to becomes a doctor in future. Her leadership skills in her social life is quite an interesting part when she encourage her whole village to take a voice about not having drinking water which they succeed at last. Her sister is currently studying in 12 and two more siblings studying at school so she wants to lift her family's financial burden with the help of this scholarship.

Sushma Shrestha

Shree Bhim Bhidya Shram SS

Miss. Sushma is an academically sound student. She is very much into her studies and she is very hardworking. We don't see much of her involvement in other extra activities in school or community. She aspires to be a civil engineer and has a strong vision towards working for her community in near future. She is currently working with her sister in a garment factory.

Uma Ghlan Tamang

Shree Pragatii Secondary School

Uma's mother died with heart disease and her father is jobless but she is inspiring in her own way. She spent in orphanage from the age of 7. With the help of her French sponsor she was able to complete her schooling and now she wants to study IT programme and become a governmental JT officer. She wants to get back to her community and help the farmers in management of modern technologies, irrigation system and market transport. Her inspiration also comes from Dr. Sanduk Ruit whom she met at eye camp of Tilganga Hospital which was her most proud moment.

Yadita Tamang

Shree Saraswati Secondary School

Ms. Yadita is from Thakani village, Melamchi. She lives with her maternal uncle from a very young age after her mother died and her father got remarried. She wants to read education as her core subject of study and eventually help the people in her village to gain a better education. She has participated actively in extracurricular activities in her school such as cleanliness programme. Besides the financial need, she understands that this scholarship will enable her to be a part of an inspiring community who are all motivated to complete study and return to the community. Her proudest moment in life is when she was able to help a cousin of her to resume her education when she was about to leave school at facing some family hurdle.

Asari Tamang

Shree Terse Secondary School

Asari wants to study hotel management and open a big restaurant where she can employ youth in her own community. Has some clarity on the learning opportunity during the whole process. She was awarded with student of the year. She also participated in various ECAs and won most of them. She was even appreciated by the chief guest regarding her speech in school annual function. She was also selected as volunteer in health camp. She has the feeling of team work.
